

4th November 2011

## Open Order Board Announcement

### PowerWizard 1.1+ and 2.1 for 730 – 2200 kVA Product Range

From 21st November 2011 generator sets within the 730 – 2200 kVA product range will be available to order with PowerWizard 1.1+ and 2.1 control panels.

Product Range	Current Offering		New Offering	
730 – 2200 kVA	Standard	Optional	Standard	Optional
	PowerWizard 1.0	PowerWizard 2.0	PowerWizard 1.1+	PowerWizard 2.1

Current orders that are scheduled for production from 12th December 2011 will be fulfilled with the new control panels.

More information on the PowerWizard 1.1+ and 2.1 control panels can be found in the new control systems brochure on PowerUp 2.
